Subject: Canadian Visitor Visa Application

Dear Sir/Madam,

I have recently been invited to attend my brother's wedding in Mississauga, Ontario, Canada.

My brother, Virat Sharma, who is a Canadian citizen, has planned to host the wedding ceremony on February 14th, 2023, and I would like to enter Canada for two weeks, from February 8 to 21, 2023, to attend the event.

My Travel History

I previously visited Canada for one week in August 2013 to help accompany my brother, Virat Sharma, before he started his education at York University. I have remained in India since then and have maintained steady employment in New Delhi's IT industry.

My Employment and Savings

My current employer is Kbeattech, a Digital Solutions Company based in New Delhi. I receive a fixed salary of INR 100,000 or CAD \$1,600 per month as a programmer and currently have INR 2,300,000 or CAD \$37,400 in savings stored in my primary bank account in India. You can review my savings in the bank statement attached to my temporary visitor visa application. I intend to bring approximately CAD \$7,000 with me for my visit to Canada and will pay for my full expenses during my stay.

Travel Details

I will be residing at my brother's residence at 303 City Centre Dr, Mississauga, ON L5B 1M7, Canada, once I arrive on February 8, 2023. I will stay at this residence for the duration of my visit. My brother's contact number is 647-000-0000.

The wedding will be held at Mississauga Grand Banquet & Event Centre, 35 Brunel Rd, Mississauga, ON L4Z 3E8, Canada. I intend to visit different attractions such as Dundas Square, Kensington Market, and the CN Tower in the Greater Toronto Area during my stay. I have no intention of venturing outside this region.

Health and Vaccination Details

I am also in good health and have remained free from major health issues in my life. I have received two COVID-19 vaccinations to date. These are:

- Moderna Vaccine (First Shot): Received on June 21st, 2021*
- Moderna Vaccine (Second Shot): Receive on July 14th, 2021*

I have attached my vaccination certificate with my temporary visa application.

Intention to Return to India

I intend to leave Canada by February 21st, 2023, via Toronto's Pearson International Airport. My parents, Akash Sharma and Kinshuk Sharma reside at my residence in New Delhi, and I intend to return to them after my trip to Canada. I have also informed my employer that I will be returning to work by February 22nd, 2023

I would appreciate your support in issuing a temporary visitor visa before my intended travel date so that I may arrive in time to help organize and participate in my brother's wedding. I have included the information requested in the original application package. Please contact me at +91 2136-724890 or rahulsvc7@gmail.com if you need me to submit additional information or documents for my application.

Thank you

Yours Sincerely,
